Re: United States v. Roger Thomas Clark  
15-cr-866 (AJN)

Dear Judge Nathan:

I write to advise the Court of the status of Roger Clark's health and to request that the Court set a sentencing date for him. I spoke with Mr. Clark by telephone on Wednesday, September 1, 2021. He advised me that, while the MDC declined to provide him with a COVID test, he believes that he does not have COVID. He has continued to feel better since my last letter to the Court on August 20, 2021. While his focus is still somewhat impaired, it has improved to the extent that he believes that he is now able to participate in the sentencing process. He does want some additional time now that he is better to consult with me and to prepare a letter to the Court, expressing remorse for his participation in the offense and describing his illness and its aftermath. Given Mr. Clark's limitations and the fact that the MDC, where Mr. Clark is being held, is experiencing constant lockdowns, this may take some time. I therefore ask that the Court set a date to sentence Mr. Clark in mid-October, 2021, at a time convenient for the Court.

I have consulted with the Assistant United States Attorneys who are representing the government in this case, and the government has no objection to this request.

Respectfully submitted,
